

PANEL GLIDE

PANEL GLIDE

FEATURES

5 year warranty

- Hand drawn, wand or cord control
- Anodised or white tracks available to suit all interiors
- Screen, translucent, blackout or exclusive designer print fabrics
- Centre opening, stack to left or right applications
- Up to 6m wide tracks
- Easy interchangeable panels to suit seasonal styles

Panel Glide by Helioscreen®, is a versatile multiple tracking blind system, which retains your outlook while filtering out the sun's harmful UV rays.

Light and easy to operate, flat panels of fabric simply slide across your window surface giving you complete access to views and doorways.

Panels can be either centre opening or neatly stacked to the side and can be operated manually by using a cord or wand system.

Panel Glide is available in a stylish range of designed prints and colour ways in sun control fabrics including translucents, blockouts and sunscreens.

Blinds can be customised to fit any window space up to 6m wide and come with a 5 year quality and performance warranty.

HELIOSCREEN'S INDOOR AND OUTDOOR RANGE

Includes: Roller blinds, Roman blinds, Panel glides, Blackouts, External screens, Varioscreens, Awnings, External louvres and venetians.
